Course Overview

The program is designed to enable students to develop communication skills in French and to acquire a broad understanding of the society, history and culture of France. The student can understand and use familiar everyday expressions and basic phrases aimed at the satisfaction of needs of a concrete type. Can introduce him/her and others and can ask and answer questions about personal details such as where he/she lives, people he/she knows and things he/she has. Can interact in a simple way provided by the other person talks slowly and clearly and is prepared to help. Can communicate about his likings and disliking. Can talk about his future plans.

Student Learning Outcome

By the end of the Semester, students should be able to:

Read the text well.

Write the sentences.

Interact with French speaking people.
